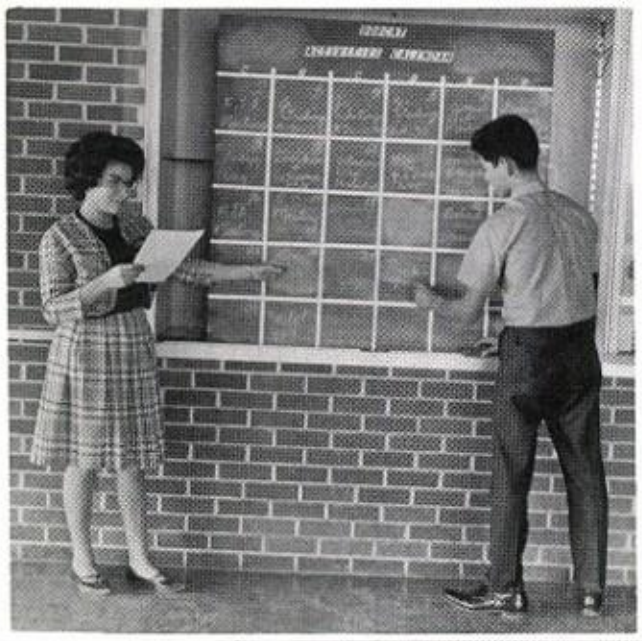
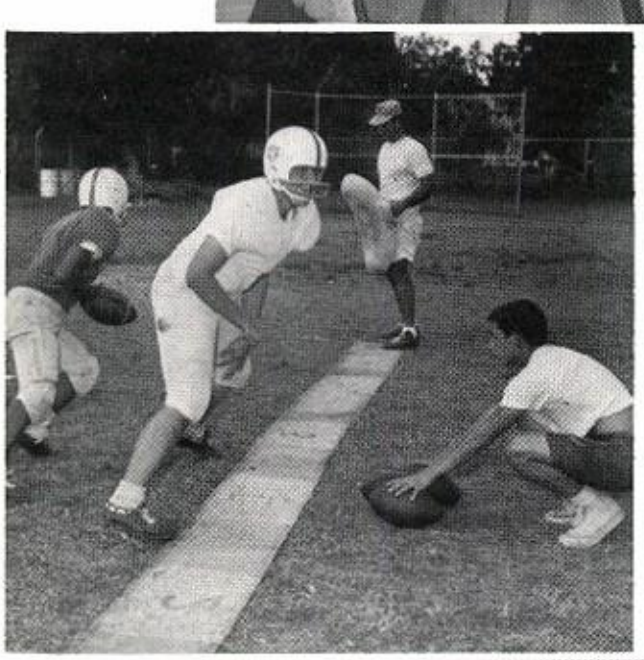
LIFE AT SOUTH SAN





Life at South San takes in many phases of activities. The first picture at the left shows the Bobcat calendar, sponsored by the Student Council, being brought up to date by Alba Ortiz and Victor Garza. The purpose of the calendar is to keep the students informed about coming school events. The second picture shows a group of Student Council members working on a homecoming project to boost school spirit. Next in line is a picture showing our fighting Bobcats getting ready for Friday's big game. Finally, a few of the students on their way to class stop to look at a CAT TALE advertisement.

"OUR SOUTH SAN HIGH SCHOOL"

Our own South San High School
Long may it stand;
Remaining ever victorious
Throughout the Land.

Our own South San Bobcats,
They'll fight, you'll see
We're all right behind them
Till they gain this victory.

Our own South San colors,
Long may they wave;
Forever flying so gallantly
O're our boys brave.

Our own South San Bobcats,
They'll fight, you'll see;
We're all right behind them
Till they gain this victory.

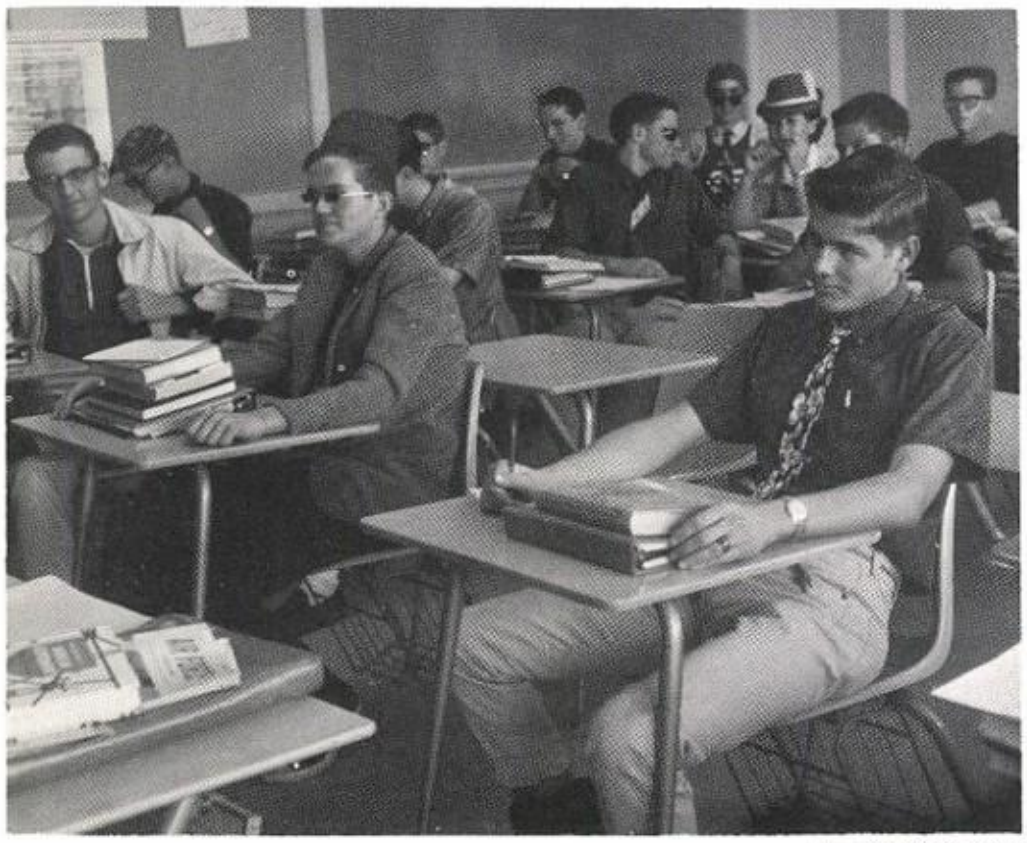
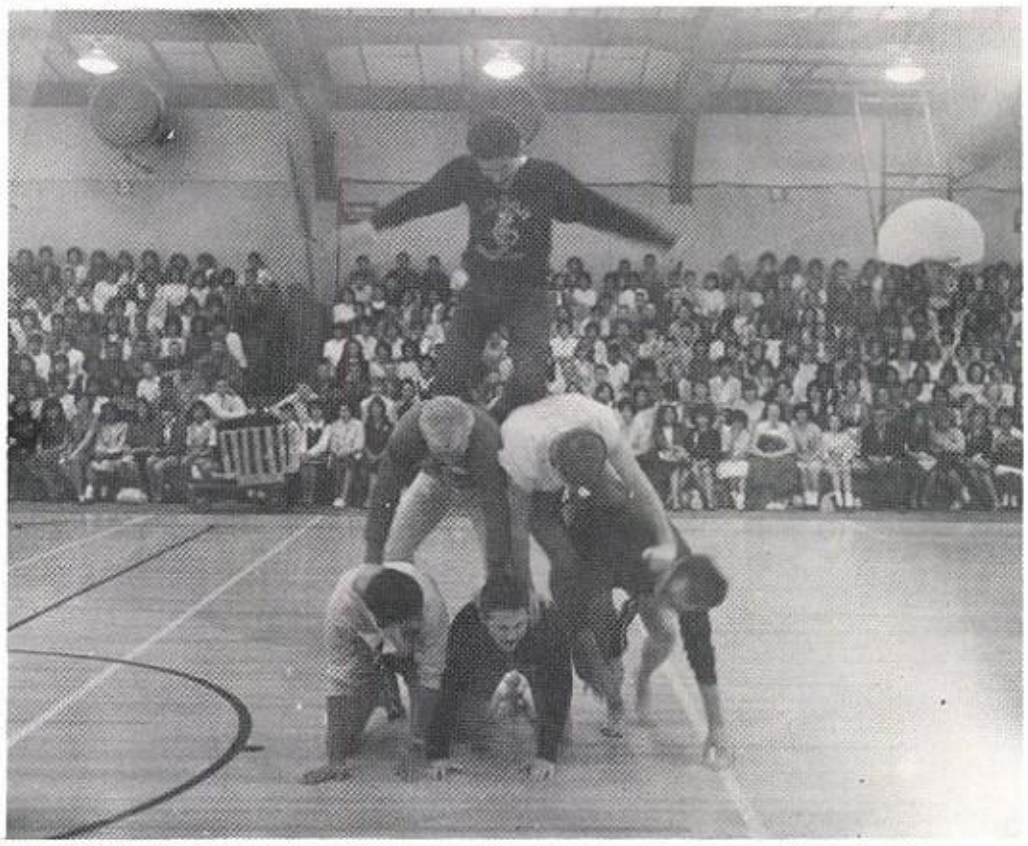
SCHOOL SPIRIT THRIVES



School spirit is a vital part of life at South San. At left, the results of digging deep into closets and imaginations are displayed by a group of Seniors who typified the effects of "Crazy Day" on the student body. One of the activities of Homecoming Week, "Crazy Day" was held to promote interest in So. San's Homecoming game against Uvalde High.

At right, some of our favorite acrobats try their skill at forming a human pyramid. The student body, assembled for a pep rally when the feat was attempted, appreciated the group's efforts. However, it was generally agreed that the boys need a little more practice before they will be ready for the United States Olympic team.



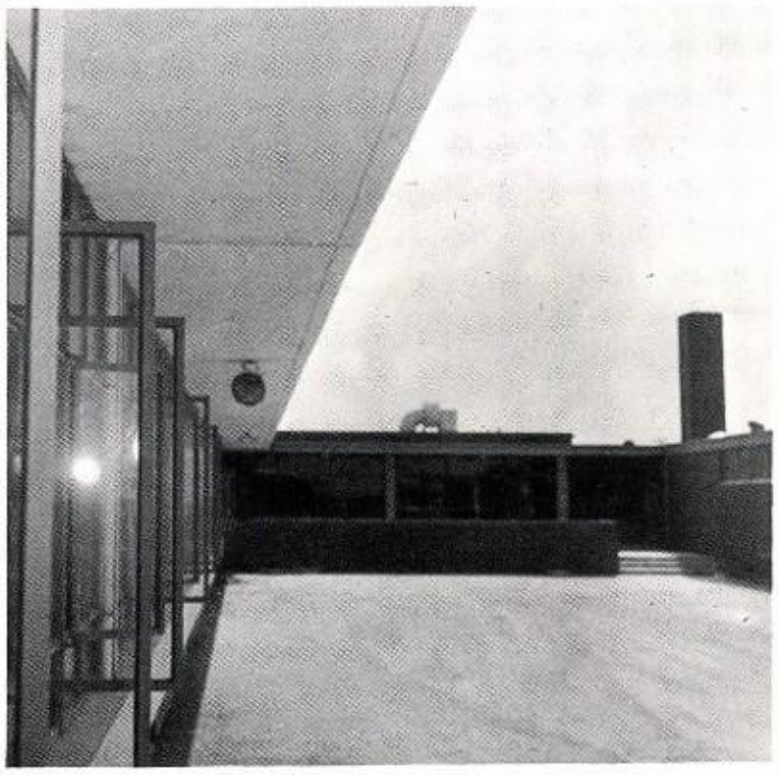
Below, it is hard to believe that a short time ago this hall was filled with eleven hundred noisy students.

During football season the top officers of the classes decorated the goal posts at Bobcat Stadium, in keeping with school spirit. These officers are Tony Levia, Mary Lou Sandoval, Seniors; Paula Morris, Elsie Kerfoot, Juniors; Sylvia Dominguez, Evangelina Lopez, Sophomores; Norma Pena, Janie Sosa, Freshmen.

CAMPUS VIEWS . . .

CAMPUS LEADERS

South San Antonio High School has long been the center of education for the surrounding community. The School, seven years old, is not only attractive but contains the best of educational facilities. Left is the entrance to the gymnasium, home of the champion Bobcat basketball team.



Right is a view of the rear patio, where the Bobcadet pep squad meets every morning to work out a drill for Friday night's football game.

Below is the side entrance to the high school. Every morning fifty teachers and eleven hundred students climb up these steps to begin a hard days work.

To add color to the annual the following campus leaders pose at El Tropicano Hotel in formal attire;

Alva Schulze: FTA president
Berle Barnett: NHS president
Alba Ortiz: Student Council vice president
Victor Garza: Student Council president
Judy Charleton: FTA president

FACULTY

As the year goes by there is an increase in both the size of the student body and the number of teachers which make up the faculty at South San. The teachers who direct the work of the 17 departments, are the backbone of the school.

HOMEMAKING EDUCATION IS BENEFITING

Mrs. Ethel McKinley
Mrs. Vada Belle Zellner

The Homemaking Department of South San Antonio High School encourages the pupil to continually stay prepared for whatever emergency should arise. The major purpose of vocational homemaking education is to prepare youth and adults for the occupation of homemaking.

The homemakers of tomorrow are now learning homemaking skills. They are also being trained to understand human relationships which will help them achieve satisfying home living.

The specific areas of instruction covered at the different levels are:

1. Child Care and Child Development
2. Clothing and textiles
3. Family Relations
4. Foods and Nutrition
5. Health and Home Care of the Sick
6. Housing and Home Management

Homemaking is fun from the looks on the girls' faces.

Mrs. Atchley

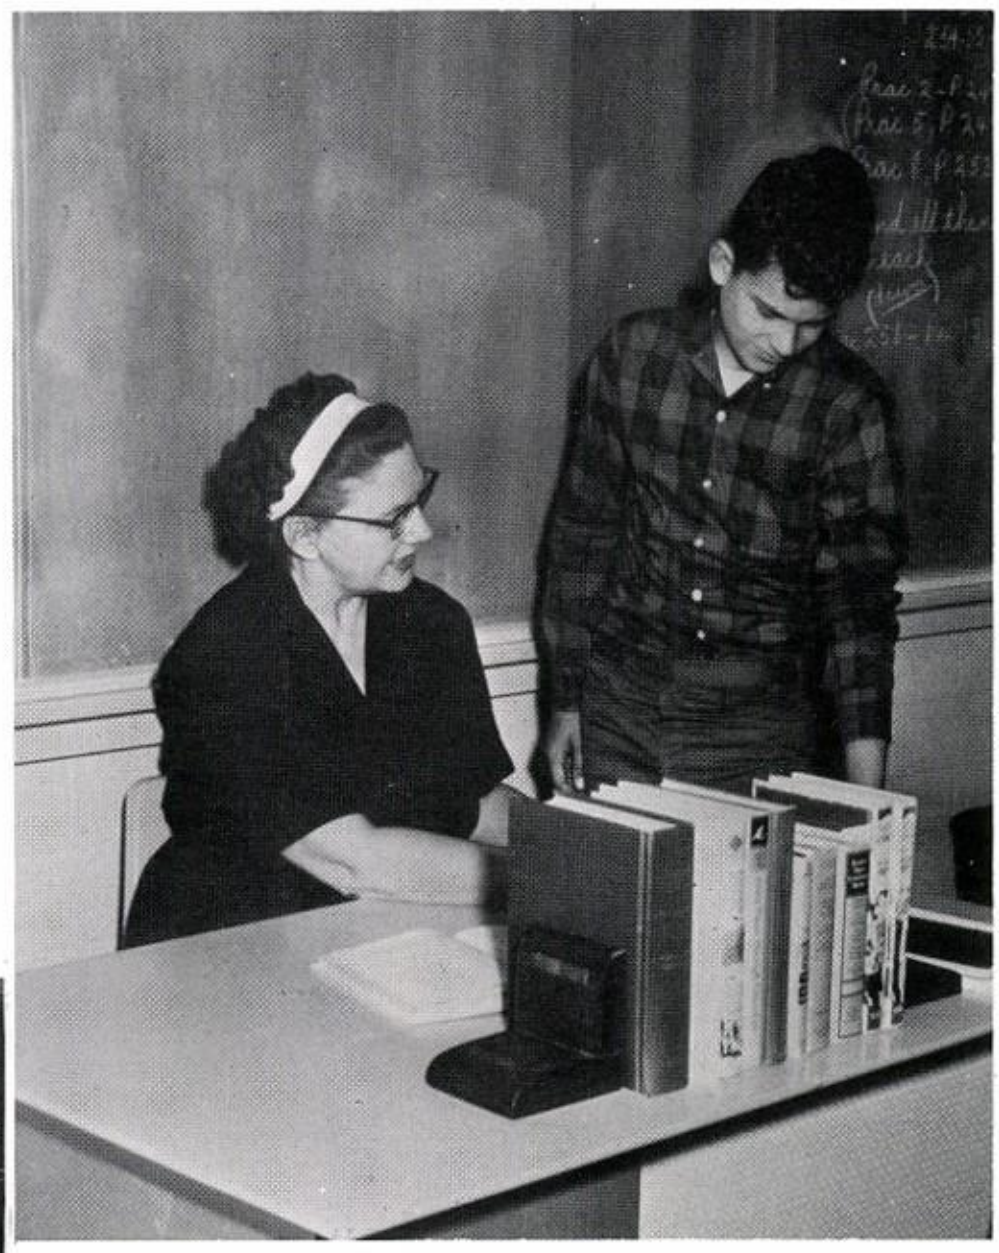
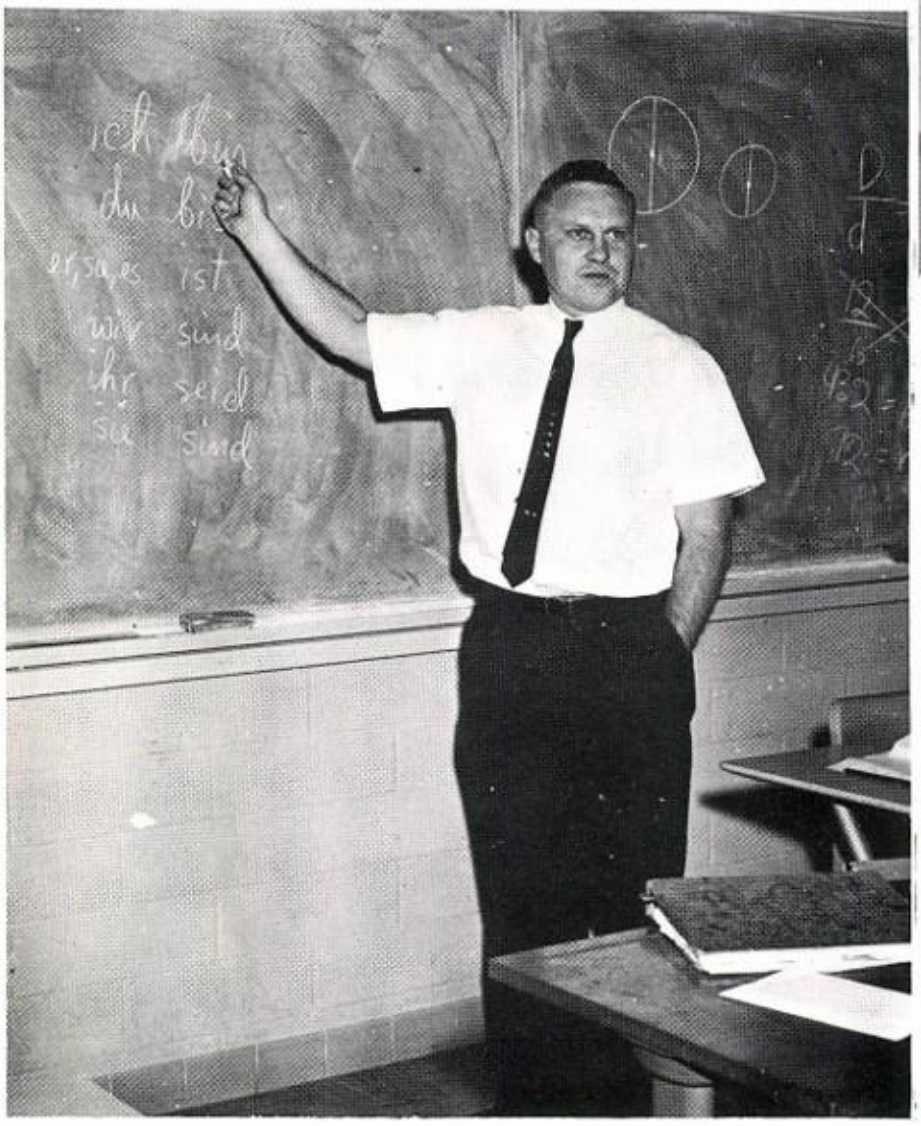
Mr. Gunga
GERMAN

Mrs. Schulze
ENGLISH





Mr. Gunga teaches his class the German conjugations.

English is a required course in the freshman, sophomore, and junior years of high school. English is an elective in the senior year but is recommended for those planning to attend college.

Grammar and composition are taught the first semester. During the semester students build a better vocabulary, learn good sentence construction and write interesting themes. Literature is taught the second semester.

German, a second modern foreign language, is offered to juniors and seniors. This course gives the student a workable knowledge in reading, speaking and writing the German language. It also gives the student an idea of the cultural background of Germany and its people.

MEETS TREMENDOUS DEMANDS

Mrs. Sank C. Mayers

Miss Sally Fischer

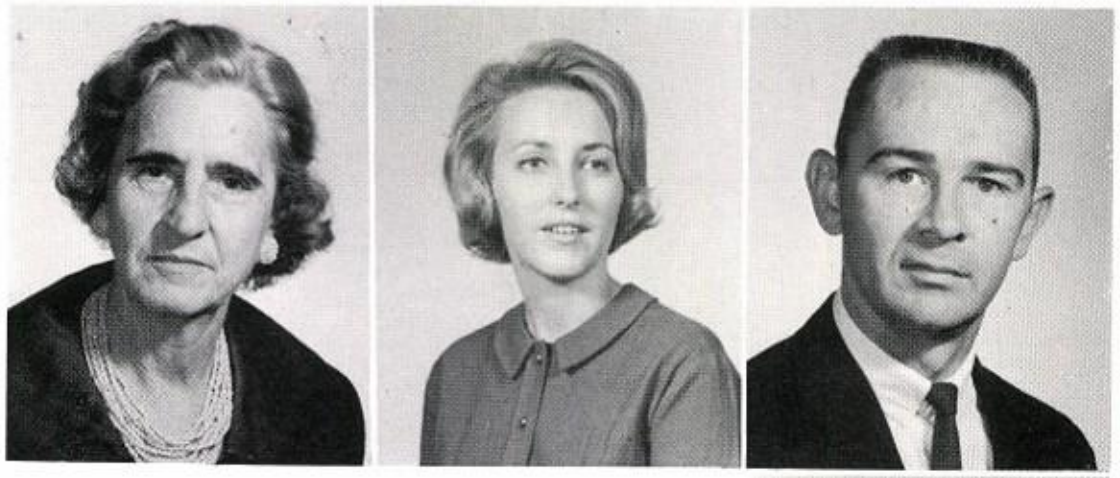
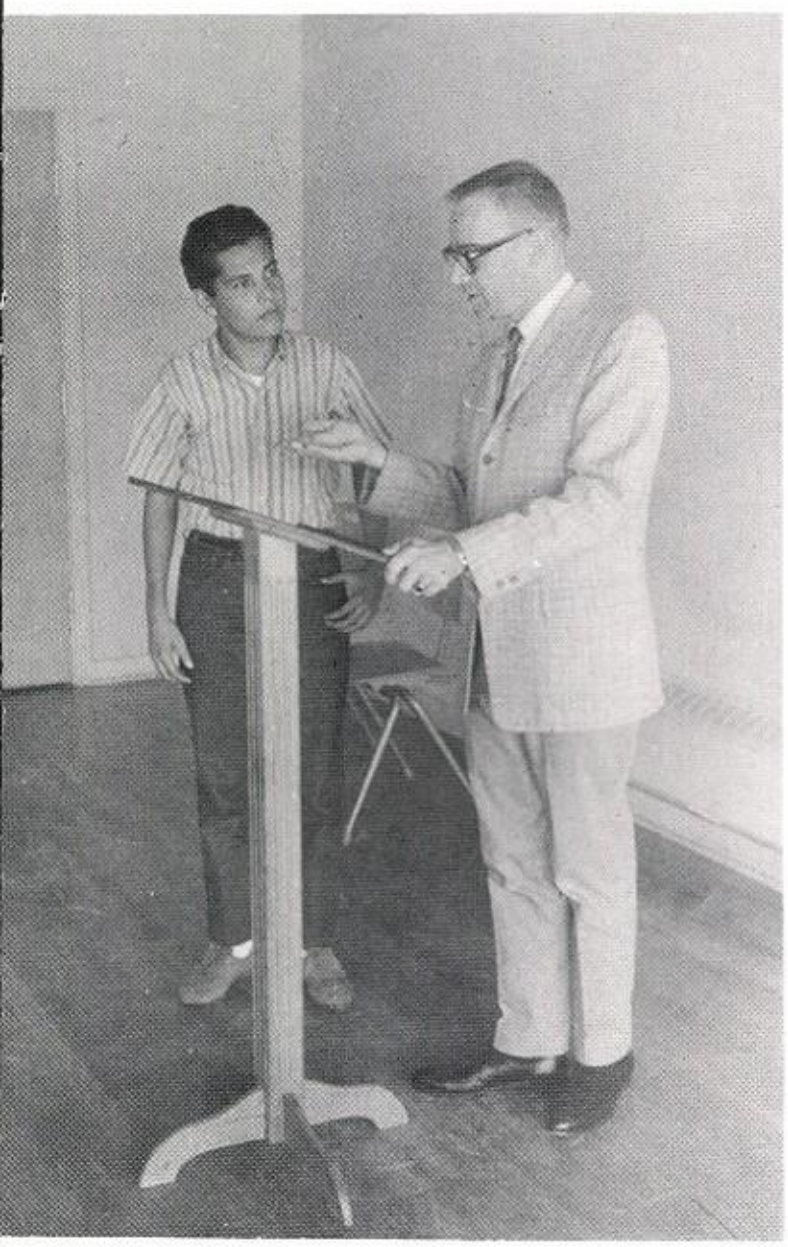
Mr. Tom Collins
SPEECH, ENGLISH





Our foreign language courses have been enhanced this year with the use of a language lab and other audio-visual aids such as records, tapes, film-strips, and artifacts provided by a Mexico depth study purchased by the Spanish Club of last year.

These teaching aids have provided a delightful way to study a foreign language. It offers our classes a chance to learn and practice new language patterns - meet new people in foreign lands - explore new places - gain new insights and broaden their understanding of a foreign culture. These materials help to make the matter of language study more interesting and each lesson a stimulating experience.

Mr. Edwin Kraemer
SPANISH

Mrs. C. B. Oates
SPANISH

Public speaking, as both a communication and as a fine art, is taught in the two years of speech courses. While learning to construct and deliver speeches for practical situations, the students gain poise and self-confidence. Emphasis is given to good voice development and the improvement of diction.

Extra-curricular speech activities include senior and junior full-length plays. The University Interscholastic League competition offers additional speech activities with the one-act play, prose and poetry interpretation, persuasive and extemporaneous speaking, and debate.

SCIENCE AND MATH NECESSARY FOR

Mrs. Nichols

Mathematics is the main stream of modern science and as a result the study of all branches of mathematics is of the utmost importance in today's scientific world.

Mr. Nolan

Trigonometry is a very important branch of mathematics and will help the student become aware of the many opportunities available in the world of mathematics.

Mr. Scott

Commercial mathematics or applied Business math is studied in our school. This course is designed to be helpful to the student in solving his personal and business mathematical problems that would be encountered in everyday living.

Algebra I, Geometry and Algebra II, which are other branches of mathematics are offered to the ninth, tenth, and eleventh grades.

"When I count to three, we better run!"

General Science gives the student an overall awareness of the various scientific fields, and develop scientific interest.

Biology consists mainly of the study of plants and animals. The purpose of the course is to prepare the student for future life whether it be going to college or leading a vocational trade. This is done by discussion in the classroom, then by observation in the laboratory whenever possible.

Mr. George Norell
Mr. Mike Peineman

HISTORY, CIVICS AND SOCIAL STUDIES

Mr. John Ferrara

American History, World History, and Civics are the courses which make up the Social Studies Department of South San Antonio High. The main purpose of these courses is to help the students gain a better knowledge of their role as present citizens and as future voters. Students not only study the history of the World, America, and our government, but also learn to take an active interest in current events.

DECA DEVELOPS THE MIND-

Mr. Carl Eakin
Mr. George Norell

Our Industrial Arts training program is an important part of the public schools program and of the education of the modern boy and girl. Its aim is to give the pupil a background that will help him fit into the working world, which is the basis of our industrial society.

The Journalism course has two purposes: to assist the student in reading newspapers and magazines more intelligently; and to teach correct methods of gathering and writing articles for the newspaper. The school newspaper, THE BOBCAT, is written and printed by the Journalism pupils.

D.E. gives students the opportunity to learn the principles of business and to use on the job. The course gives juniors and seniors valuable experience which will help them in later life.

PHYSICAL EDUCATION-THE BODY

Mr. Bill Dalton

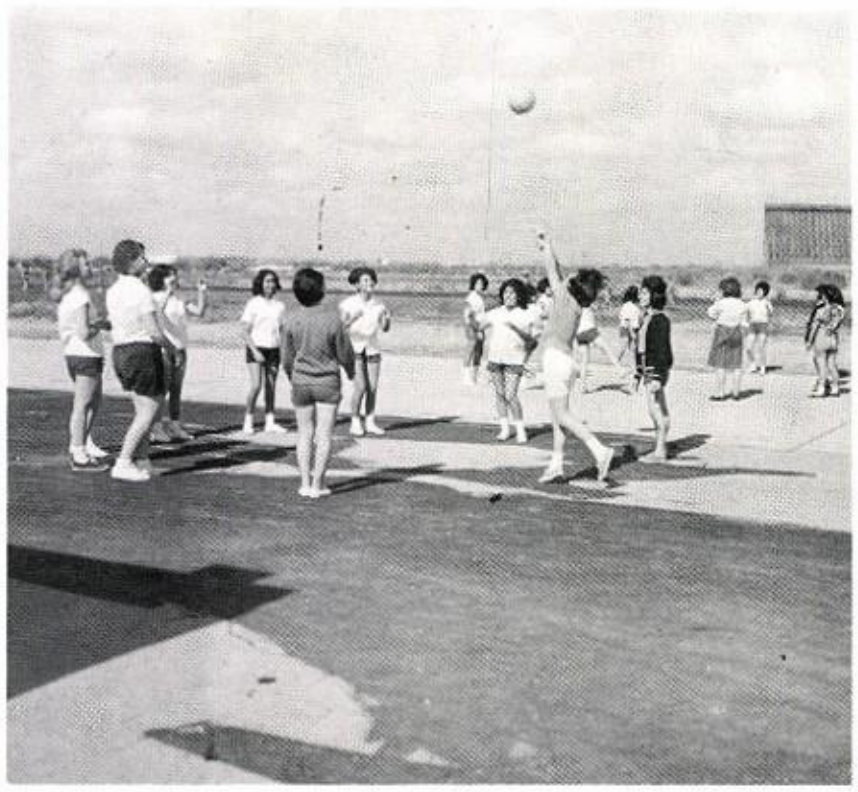
Mrs. Elaine Tanner

Mr. Cliff Gustafson

Miss Amparo Ortiz

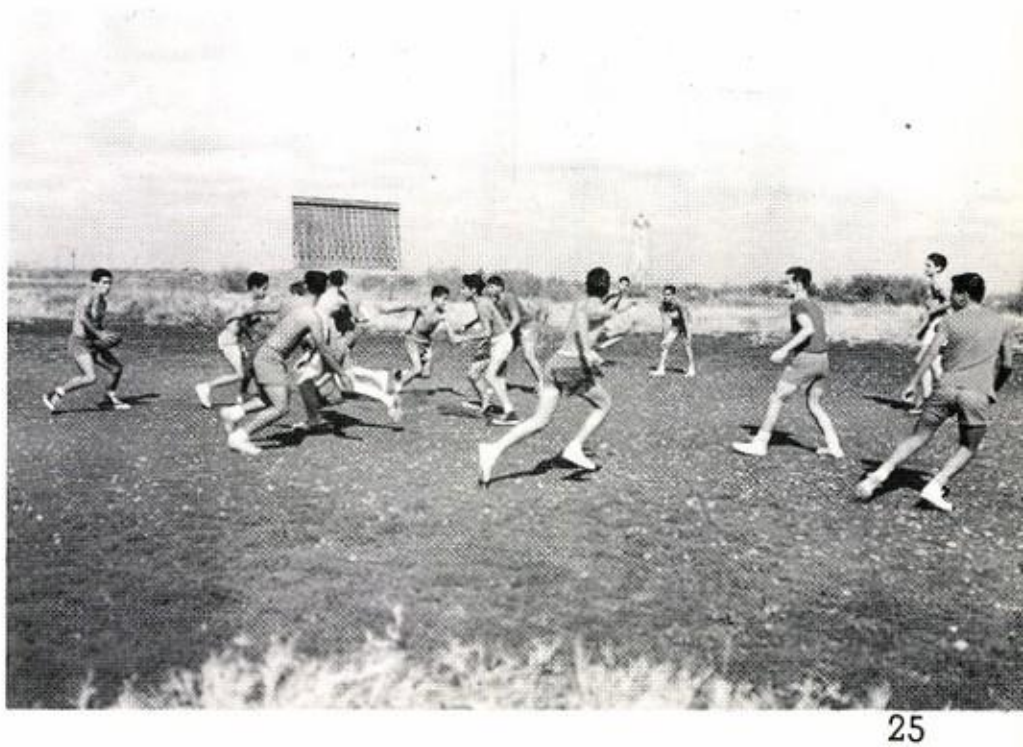
Mr. Earl Lankford

Mr. D. J. Scott



The Physical Education Department of South San Antonio High School takes an active part in the AAHPER. The purpose of this program is to seek out the physically unfit as well as those of desirable physical standing. Then the goal is to improve the physical status of the unfit as well as that of the students of higher physical ability.

Students are given a progressive and systematic program of calisthenics and conditioning exercises throughout the year. This program includes: pull-ups, sit-ups, standing broadjumps, shuttle runs, 50 yard dashes, softball throws, and 600 yard run-walk. These tests are given twice a year with physical improvement the ultimate goal.



BUSINESS AND LIBRARY PROVIDE TRAINING

Mrs. Croft

Mr. Hafner

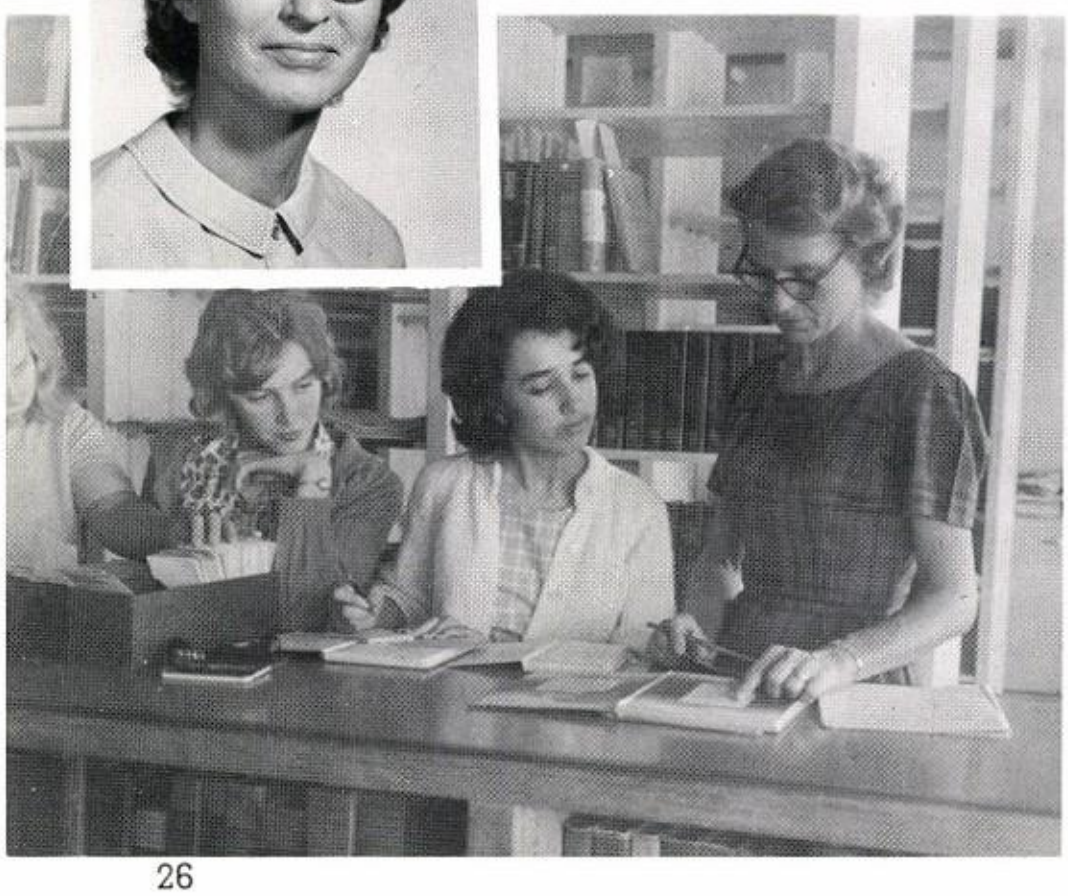
Mrs. McCrury

Mr. Burkholder

Mrs. Uecker

Our Business Department consists of Typing I, Typing III, Stenography I, Stenography II, Bookkeeping and Business Law. These, which are given to juniors and seniors, prepare the students for a successful future in a business and to become a qualified office worker.

Mrs. Hatten



The school library has many functions. It is a service agency which provides materials on all subjects and all interests of students and teachers. It serves as a teaching agency by helping students learn how to use books and libraries, how to find information, and how to study. It is a materials center which houses all types of printed matter as well as audio-visual materials for the use of teachers and students. The library also is a reading center, a place for enjoying books, as well as for investigating problems and for study.

Mrs. Hatten and her student librarians are always glad to help you find any type of book or any information which you might need.

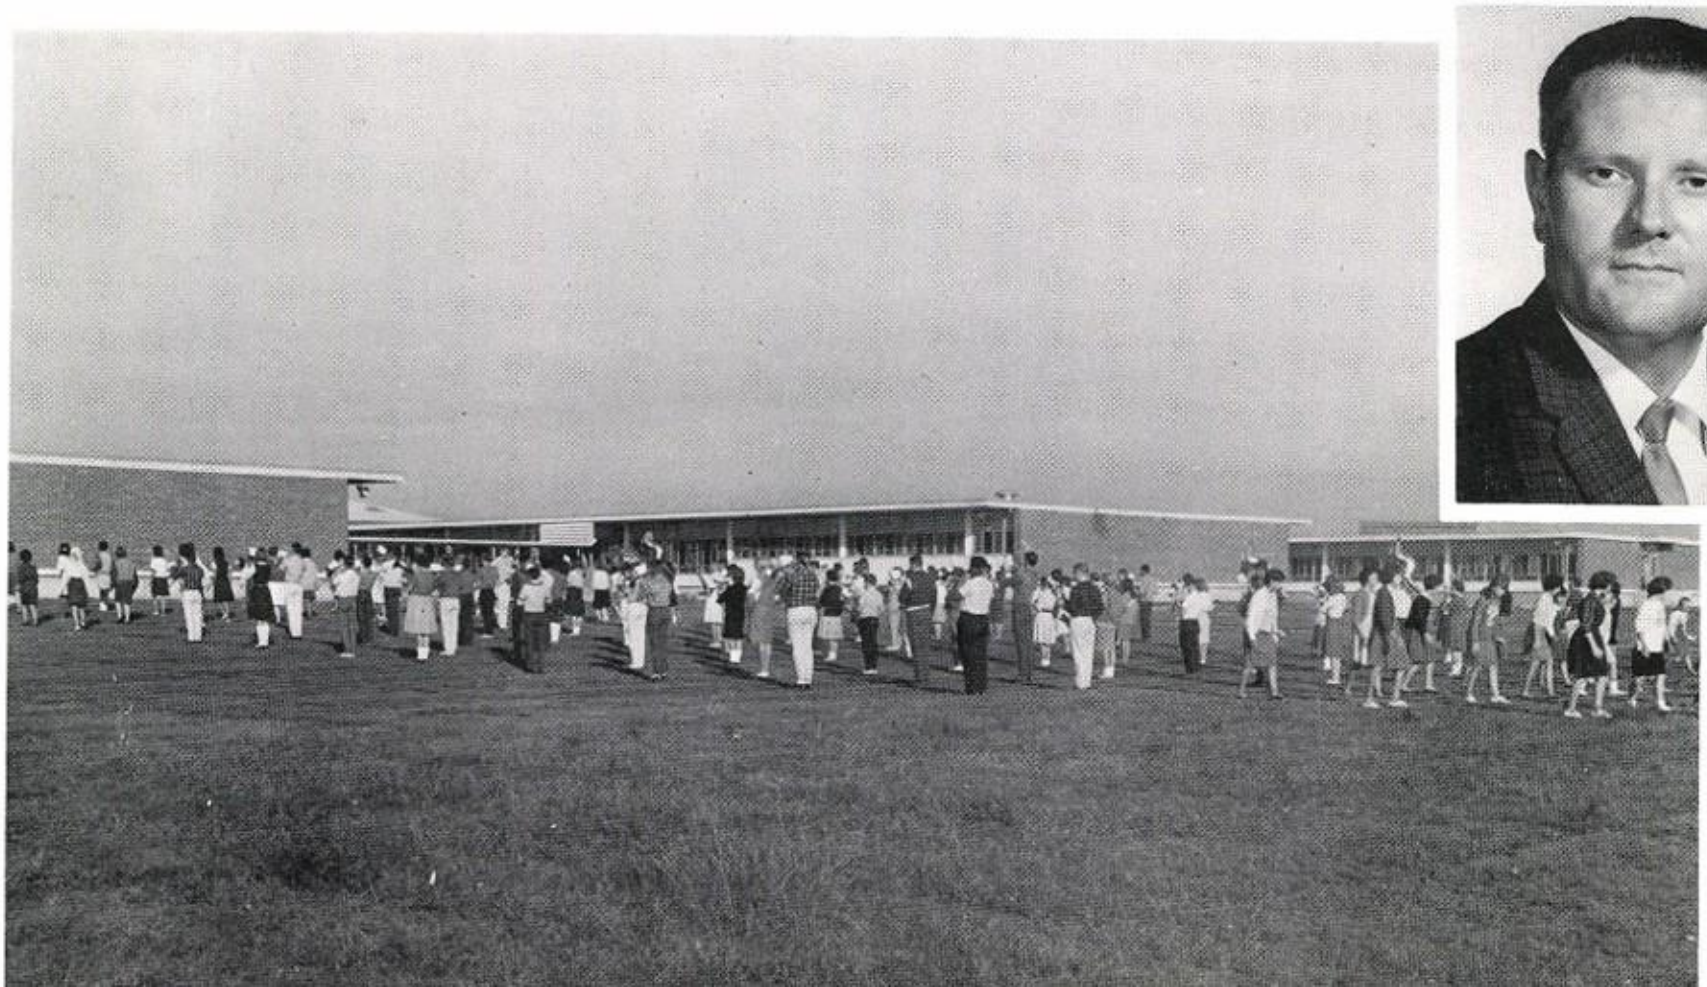
MUSIC PROVIDES PLEASURE

Mr. Kretzmeier

The choir is covering more literature this year and working more on sight reading and theory. Each year the choir presents the student body with a Christmas assembly. In April the choir puts on a concert to the public. Also, each year the choir competes with all the schools in surrounding districts for a rating.

The Bobcat Band stays busy the year round. Activities begin each school year with the football games and continue through marching contest, parades, playing contest, concerts and on into the summer with summer band. The band looks to Mr. Meads for leadership and finds their confidence in him well placed.

Mr. Meads



GUIDANCE AND SPECIAL EDUCATION

Mrs. Pat Campbell
Girl's
Counselor

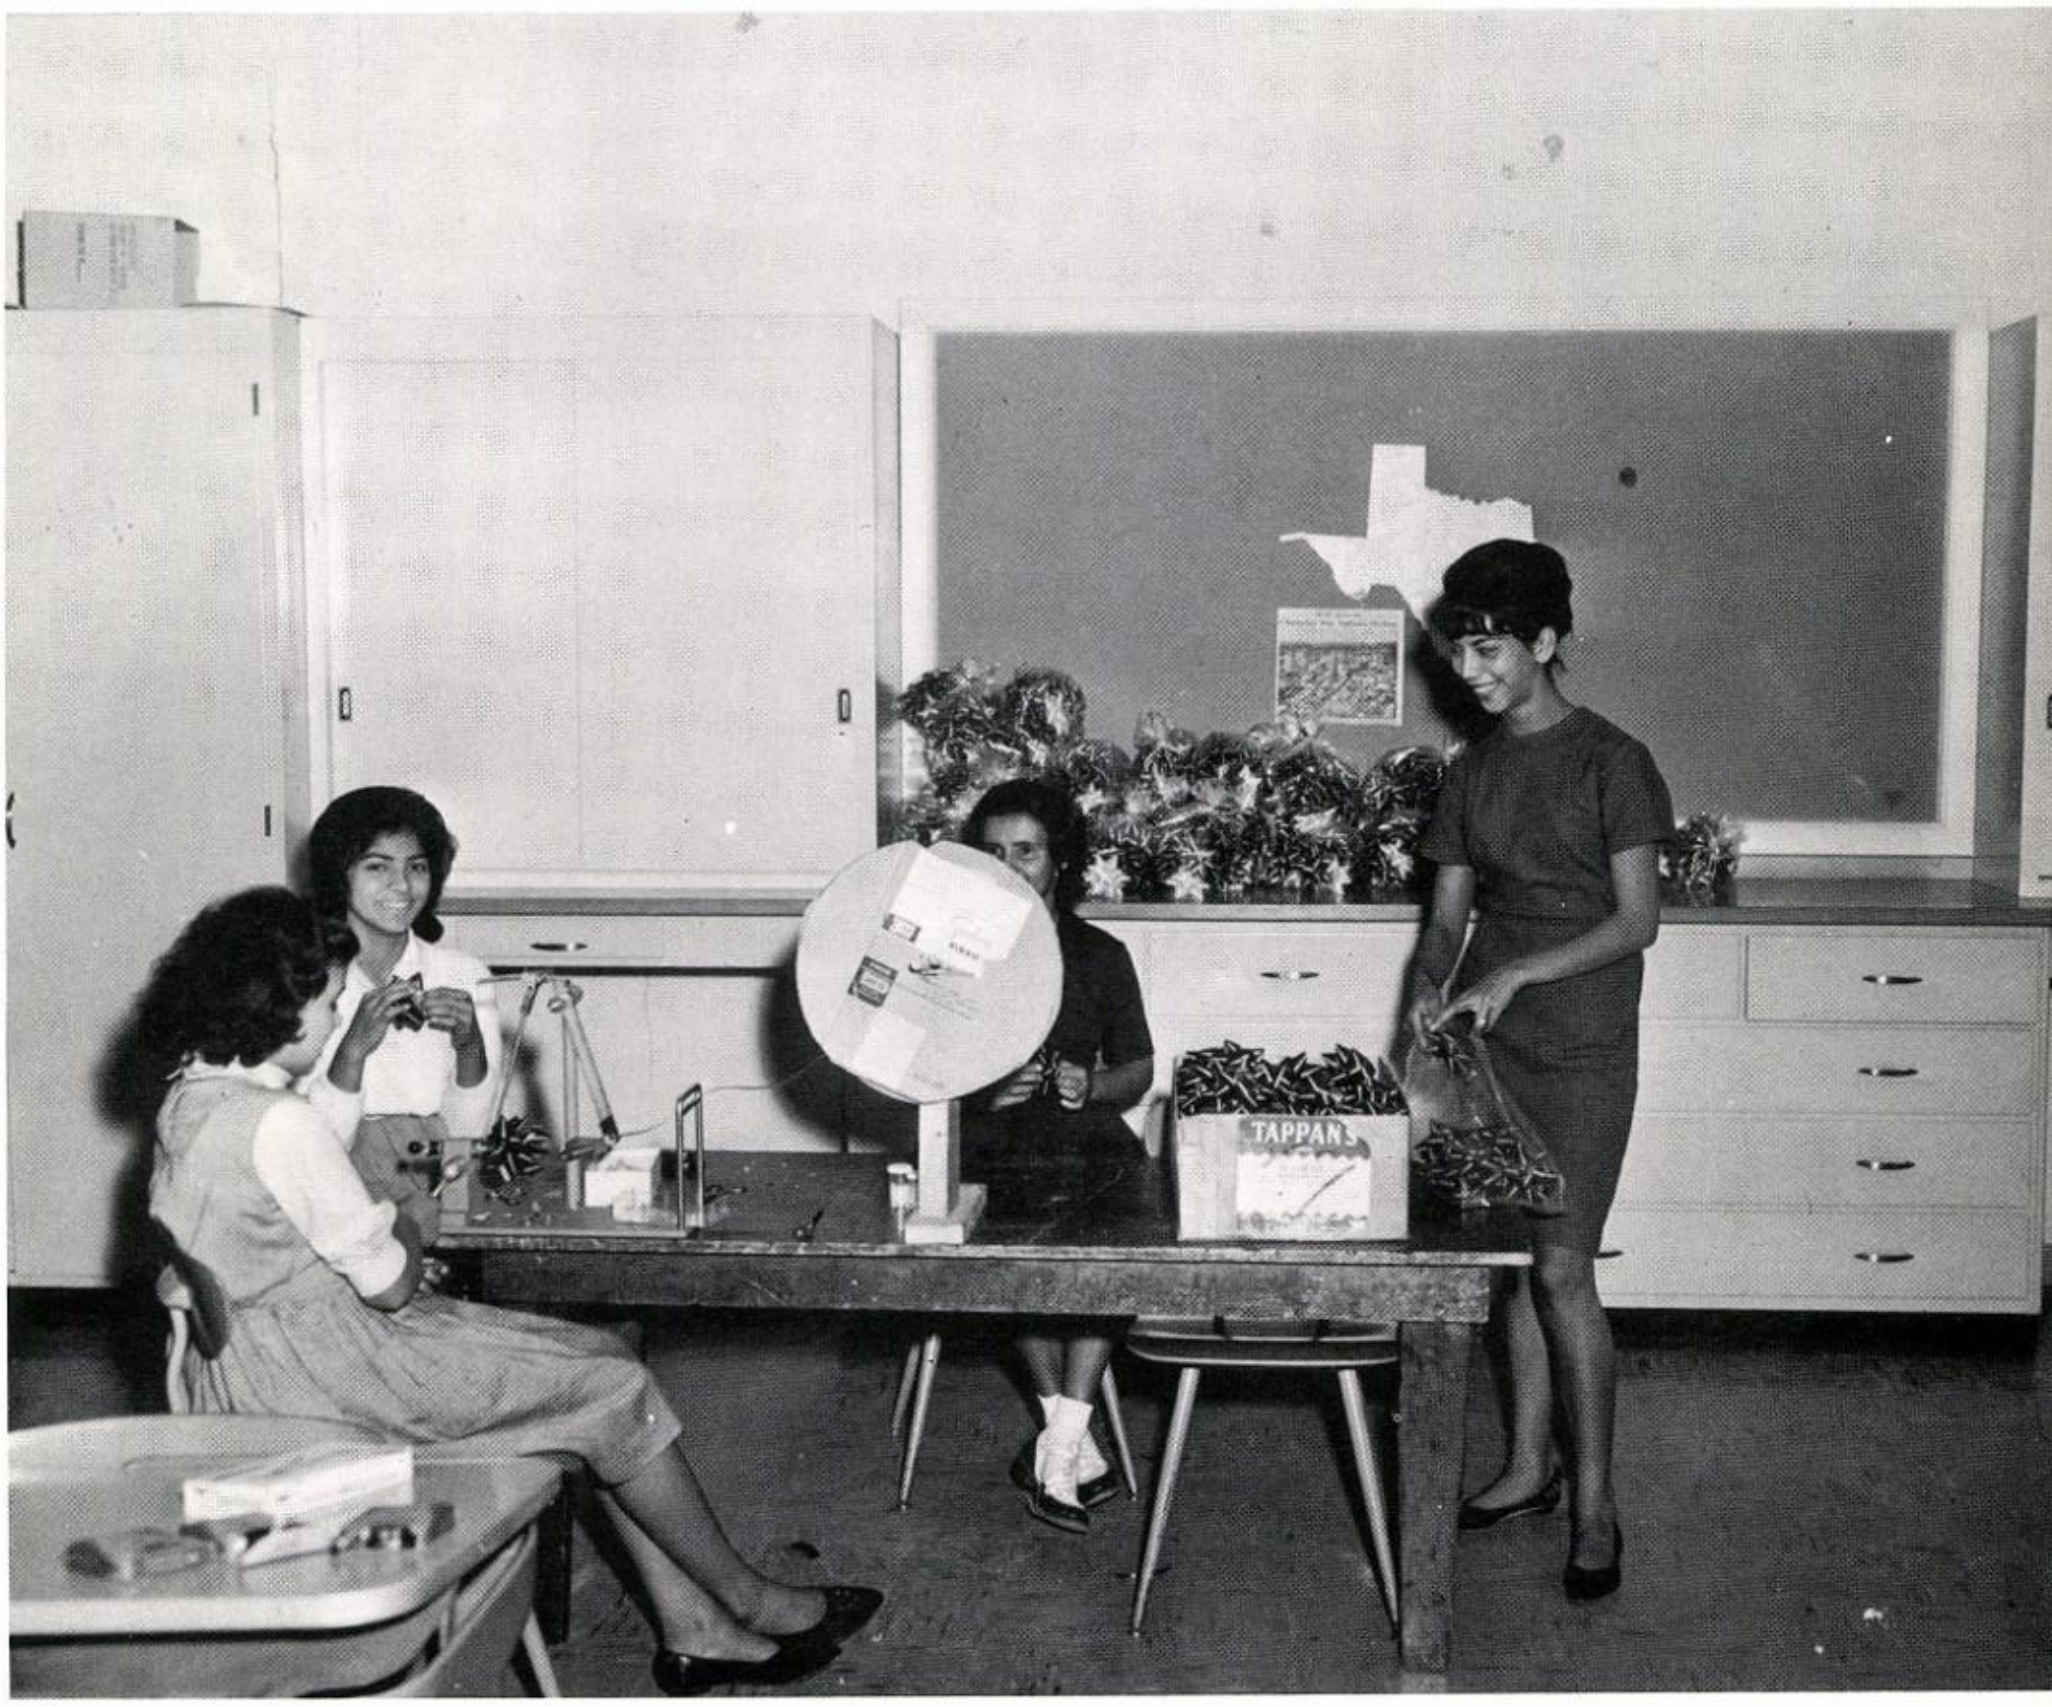
Mr. V. O. Harp
Director of
Guidance

Today's society demands that you, the students, make realistic decisions about life goals early in your school careers. There is no one time when you make THE decision. Instead, each year you make a number of small decisions which will either help or hinder you in your efforts to achieve success. Unless you have some idea of what you would like to do with your life, it is hard to know what courses to study or how far to go in your schooling.

The Guidance Department, your counselors, and the teachers are available to help you answer these questions. YOU must take the initiative for it is YOU, the inquisitive student, who must "seek that you may find, ask that you may be given, knock that the door may be opened unto you."

Berle Barnett, senior, discusses future college plans with counselor.

STRESS HELP TO INDIVIDUAL



Mrs. Beatrice Richter
TEACHER OF

SPECIAL EDUCATION

Mrs. Marguerite Jordan
COORDINATOR OF
SPECIAL EDUCATION
FOR THE DISTRICT

The Special Education Program is so structured that each pupil may progress at his own rate of development without comparison to theoretical norms of others in his group. A child may enter this program when he becomes eligible for public school attendance. A high school diploma may be issued to educable students upon satisfactory completion of the seven levels of development.

SECRETARIAL, MAINTENANCE AND

Mrs. L. B. Gray

Mrs. Clara McMahon

Mrs. Louise Alton

Mrs. Madelene Croft

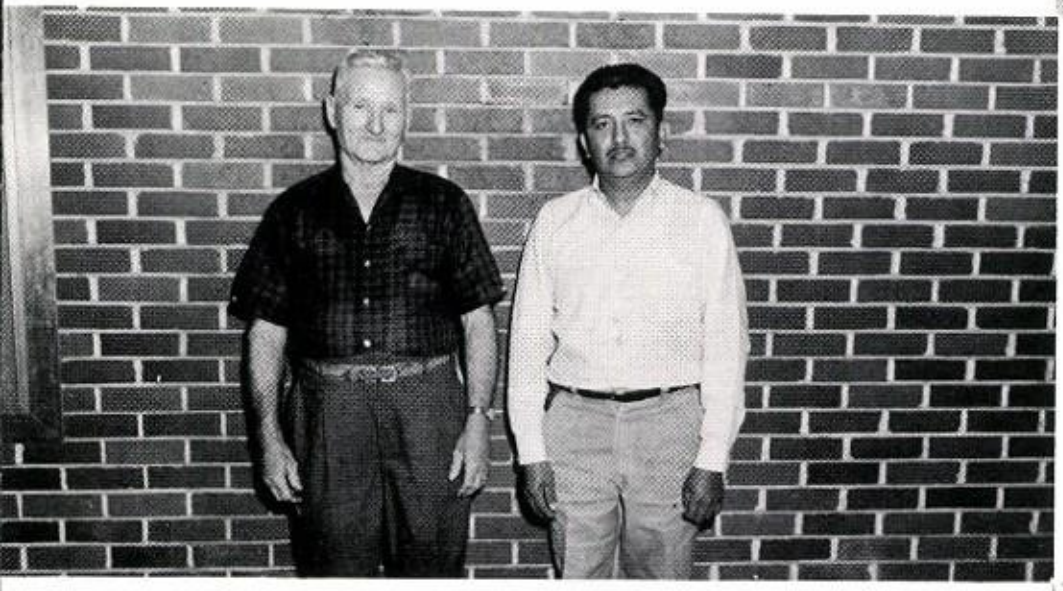
The secretaries in our school's many offices are indispensable. They are assisted in the principal's office by students who take care of daily attendance records and other office work.

Equally important are the custodians who are responsible for the maintenance of the school. Many hours of hard work by these men have helped to keep the school in a condition the students can be proud of.

CAFETERIA ARE IMPORTANT IN DAILY ROUTINE

Good hot food and plenty of varieties are made each day for all of the South San students. All of the cafeteria workers prepare meals each day for all three lunch shifts.

Left to Right-Mrs. Imogene Thompson, Mrs. Thelma Mosley, Mrs. Jo Griffith (Manager), Mrs. Rose Hammond, Mrs. Annie Eloff.



Two of our custodians, Mr. Hearn and Mr. Rodriquez, help to keep our three wing school neat and clean along with the help of all the students.

Left to right-P. W. Hearn, T. Rodriquez

Cafeteria duties shown here by Mr. Bodiford are only half of the custodians daily chores.

The purposes of this club are:

1. To create interest and further explore the various medical fields.
2. To obtain and distribute information concerning the education of nurses.
3. To acquire information on scholarships and loans.
4. To do volunteer service in hospitals on an individual basis.

The Future Nurses Club was organized three years ago and is chartered by the National Future Nurses Club of America.

During the school year club members visited various hospitals, the Health Fair, and the City Health Department. Through films and speakers information concerning nursing and educational opportunities were brought to the club members. The Army Nurse Corps recruiter, Major Lorene Kennison, told the membership of the educational opportunities available through the Army Nurse Corps. Mrs. Ranzau from Incarnate Word College gave detailed explanation of the types of nursing programs.

The club's activities end with the annual picnic.

Library Club members display the typical attitude of South San students as the boy rushes to sit in the chair before the girl can.

Mrs. Hatten and her assistants aid students by issuing them books from the high school library. This entails a great deal of work on files and records.

All Seniors like Kay Touro and Tom Collins are preparing for a "once in a lifetime" event.

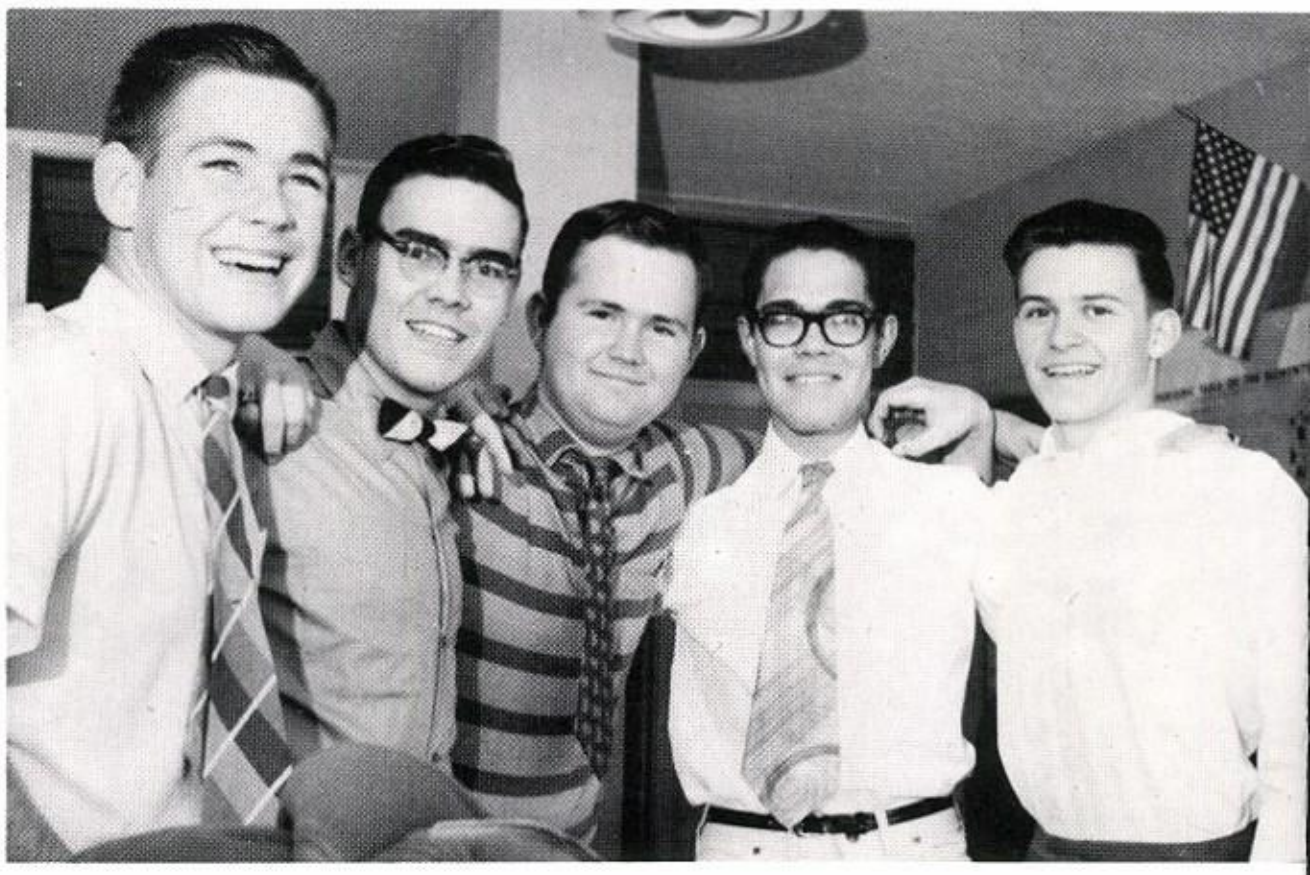
"Well, it's like this, one of Mr. Kinman's pet bugs got away. We caught it and are holding it down until he gets here."

Janet Van Horn was the winner of the National Merit Scholarship Award. Congratulations, Janet!

One of the duties of the Student Council is to raise and lower the flag. Here, Vic and Leonard proudly display "Old Glory."

"O.K., Seniors! On Senior Day, you cannot wear shorts, chew gum, go swimming, ride the horses, sing or talk on the bus--but remember, we WANT you to have a good time."

All right kids! We warned you about that gum chewing. Now we can't get one of the teachers unstuck from his chair.

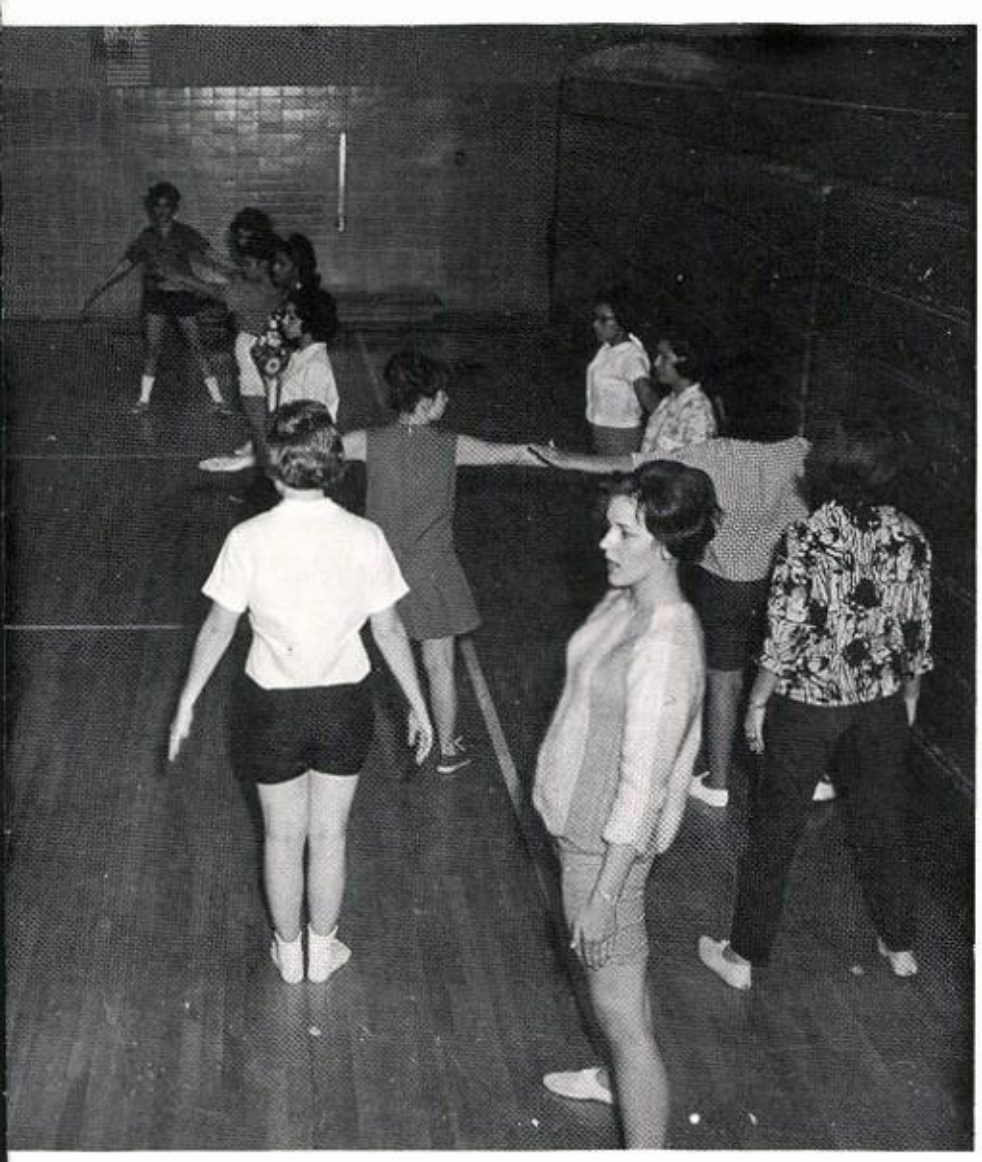


Old fashion seniors model the latest style.

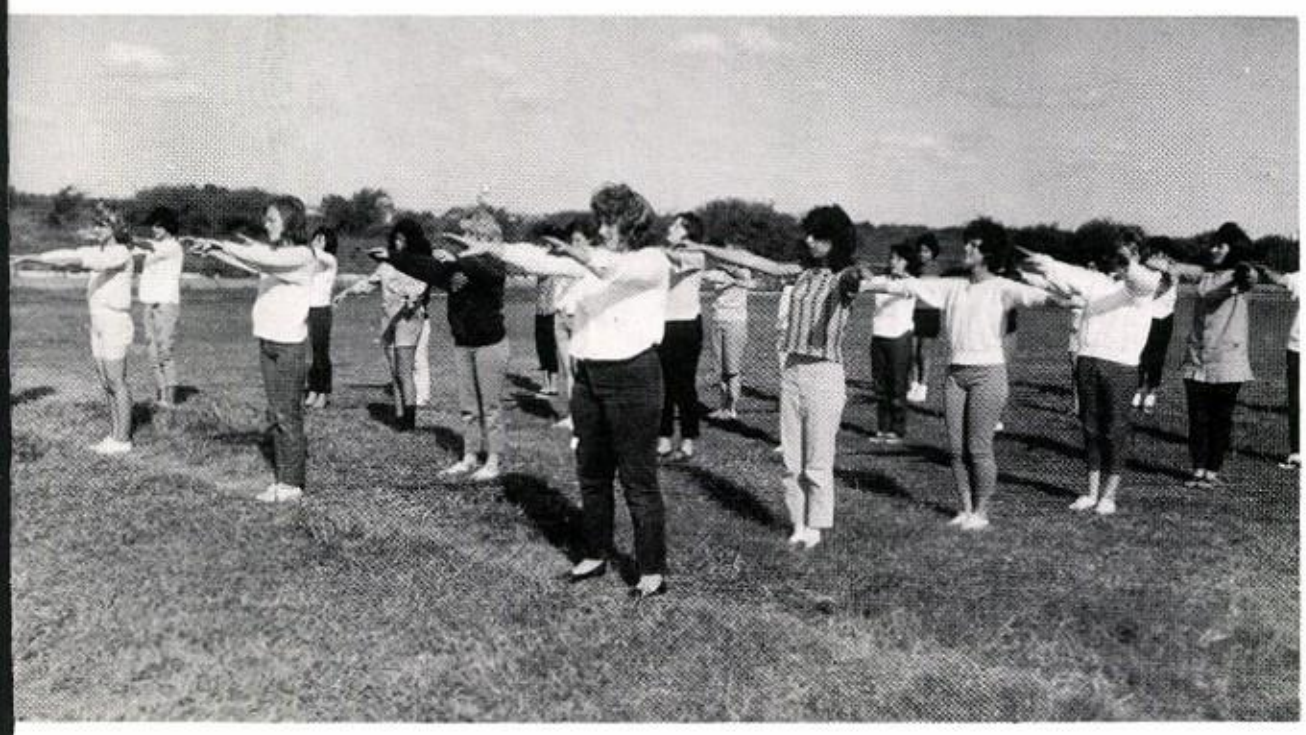
Carolyn Leggett and Kathy Stuesser help to assist in the counselor's office.

Hurry, before the principal catches us.

Oh, darn! And after all the time I spent at the beauty shop, too.



Every year the Senior girls look forward to trying out for cheerleader for the Senior-Faculty Game. Here, the girls are shown at one of their afternoon practices.



I never thought learning to fly could be so easy.

A THING CALLED ACHIEVMENT...

TOP STUDENTS ARE HONORED

The achievement section of the CAT TALE Annual recognizes those students who have gained an outstanding position among their fellow students.

On the opposite page are pictured Mr. and Miss BOBCAT, selected annually by the faculty as our most outstanding seniors.

Mr. and Miss BOBCAT are followed by the Citizens of the Month and "WHO'S WHO IN CITIZENSHIP," also selected by the faculty as the most outstanding citizen of the month.

"WHO'S WHO IN SCHOLARSHIP" is the honor bestowed on the student obtaining the highest scholastic average from the senior class.

"WHO'S WHO IN SPORTS" is the honor awarded to the outstanding participant in the field of athletics and sportsmanship. The student to receive this honor is selected by a panel of our faculty coaches.

The Achievement Section includes the six pointers-students holding the top five offices in the various organizations. The six point offices include: Student Council President, Senior Class President, Junior Class President, Drum Major, and Editor-In-Chief of the yearbook.

This section concludes with the presentation of the annual P.T.A. Coronation, featuring Queen Myett and her court.

CHEROKEES WIN

Following the opening kickoff, the Bobcats went 69 yards to score and lead 8-0 in the first quarter. The Cherokees started to move but a fumble, recovered by Jim Giesick, stopped them and set up the second Bobcat score. The Cherokees came right back and cut the margin to 16-8. In the third quarter, after a Bobcat fumble, the Cherokees scored and tied the game. In the fourth quarter at the South San 40, Dugger fumbled and Sam Houston recovered, going on to score and win 23-16.

RATTLERS DEADLY

The San Marcos Rattlers scored on a second quarter touchdown pass and held on to it to beat the Bobcats 7-0. It was the most thrilling game of the year. The Bobcats, leading in statistics, just couldn't push over a score. The defensive standouts for the Bobcats were Joe Yanez, Genaro Lugo, and Roy Ingram.

The Bobcats recovered a fumble on the Pleasanton 22 but a 15-yard penalty put it on the 37. Dugger flipped a short pass to Joe Casas who raced all the way for the 3rd TD. Aldrich scored again taking a handoff from Dugger and going 40 yards. The final touchdown was made by Frankie Lott on a 28-yard run.

Sports Editors Note-The game had to be forfeited to Pleasanton because of an ineligible player on the team.

CATS CLAWED

So. San had a bad night at Del Rio as they lost a 25-8 decision to the Wildcats. The first half was even as neither team scored, but the Wildcats scored in the third quarter to lead 7-0. HOLMES TAKES A LOSER 78-25

So. San began the district campaign just as they left off last year, winning! Phil Dugger, who hit with a 23.7 points per game clip during the regular season, hit for 22 points before being taken out, to take scoring honors. This was the 65th district win in a row. Also hitting in double figures were Gordon Fox and Johnny Guzman with 15 and 14 points respectively. Nati Salazar hit for 9 points.

THE EAGLES GET PLUCKED

Johnny Guzman scored 24 points as he led the Bobcats to an easy 66-38 romp over the Pleasanton Eagles. The Bobcats were never in trouble as the out-classed Eagles could only watch Johnny burn the nets. Not far behind in the scoring were Phil Dugger with 17 and Nati Salazar with 10.

Gordon Fox, surrounded, looks for a way out.

ANTLERS FALL TO CATS

Philip Dugger hit the nets for 26 points as the Bobcats rolled over the Kerrville Tivy Antlers by a score of 60-46. The win gave the Bobcats a 4-0 district record and a 22-3 season record. It was the 68th district win in a row. Also hitting in double figures were Nati Salazar with 20 points, Johnny Guzman with 11 points.

BOBCATS WIN

The Bobcats went to Marshall with everyone saying the Bobcat's streak was about to end. The Bobcats then proved that people should not always believe what they hear by turning back the Rams 50-49. The game was tight as the score indicates. The lead changed hands many times, but So. San held the lead when the final buzzer sounded. The Bobcats led by 5 points with 3:15 to go and began a stall. With 1:55 left it was cut to 3 points and then with 13 seconds left, to 1 point. A jump-ball resulted in a frantic shot by the Rams which was short.

Dugger scored 22 points to take high score honors. Nati Salazar hit for 15, and Johnny Guzman for 10, to help Philip out. It was the 67th district win in a row giving the Bobcats a 3-0 record.

BOBCATS TOP TIVY

Philip Dugger, Nati Salazar and Johnny Guzman hit for 20, 16, and 10 points respectively to lead the Bobcats to a 63-31 decision over the Kerrville Tivy Antlers. The Bobcats had an easy time as they led by a score of 29-17 at the half. The win lifted the Bobcats' district record to 6-0 and 24-3 for the season. It was the 70th straight district triumph.

SO. SAN DEFEATED

The Bobcats saw their amazing district winning streak broken at 70 straight in a 50-30 loss to the John Marshall Rams. The Bobcats had not lost a district game since February 5, 1957 when they lost to Edgewood 55-46. Nati Salazar led Sc San with 10 points and Phil Dugger scored 6 before eaving the game with an ankle injury in the fourth period. The Bobcats were cold and tense as they could only hit with 18% accuracy. The game was close at the start with So. San leading, but the Rams got hot and So. San just couldn't warm up to close the gap.

Nati Salazar scrambles for a loose ball in the midst of cage action.

EAGLES GROUNDED

After starting out slowly, the Bobcats poured on the coal as they outscored the Pleasanton Eagles 69-50 to force a playoff with Marshall who also won. At the half So. San led by only 5 points but in the third quarter they opened up and led 49-38 at the start of the 4th period. After that it was all So. San. Nati Salazar and Chuck McGee shared scoring honors with 18 points apiece. Also hitting in double figures were Ruben Flores with 15 and Phil Dugger with 12 points. The win left So. San with 7-1 district mark and 26-4 for the season.

BOBCATS DETHRONED

Ed Lackey sank two free throws with eight seconds left to give the Rams a 41-35 victory over the Bobcats in sudden-death North Zone district playoff. The loss was the first district championship loss in ten years. So. San got off to a good start as they led 10-7 at the end of the first quarter, but they got cold in the second quarter as all they could muster were 2 points to trail 19-12. Phil Dugger scored 14 of his game high 17 points in the second half as the Bobcats cut down a ten point lead to a tie. The Bobcat surge was a little late as the time clicked away the seconds. With the score tied at 39 all, Lackey made his two points to give the Rams the lead and the game.

BOBCATS WIN OPENER

The Bobcats opened the North Zone race with a resounding 17-3 trouncing of the Holmes Huskies and gave all the others in the zone a glimpse of what they can expect when they meet. Leading the attack were Frank Tondre, Meddie Lomas, and Adam Reyes with two hits apiece and Casey Sanchez with one. Four pitchers got some "practice" for the hard road of the playoffs for the state tourney by pitching a no-hitter combined with Mike Coffey getting credit for the win.

CATS TROMP RAMS

The Bobcats invaded the Rams' diamond and gave them a good 9-1 whipping with a 1st inning 8 run spurt. Meddie Lomas led the attack with two singles and a double. Nati Salazar and Frank Tondre each had a single as the 'Cats cruised to their second zone victory, 15th in a row, and 26th of the season against two defeats.

The Bobcats managed to get only one hit but took advantage of 6 walks, a wild pitch, and 2 sacrifice flies to score runs in the first and fifth innings and take a 3-1 game from the Kerrville Tivy Antlers. The sole Bobcat hit, a triple by Rudy Herrera, had no part in the scoring. Johnny Guzman allowed only 3 hits as the Bobcats upped their record to 27-2 for the season.

HUSKIES ARE WHIPPED

Edward Tello not only kept the Huskies scoreless but also helped his own game by hitting a single and a grand slam homer as the Bobcats breezed by the "Pups" 26-0. Also hitting grand slam homers were Ruben Flores and Mike Coffey who went 2 for 2 at the plate. Nati Salazar also had a good day as he, too, went 2 for 2 at bat with a pair of singles. The Bobcats extended their winning streak to 17 and season record to 28-2.

CATS TAKE NORTH ZONE

The Bobcats sewed up the North Zone title with a 9-3 verdict over the John Marshall Rams, which set the Rams back 2 games and out of contention. The win gave the Bobcats a 5-0 district mark and a 29-2 overall record. Johnny Guzman's pitching job was made easy because he was given a 12-hit support. Johnny helped his three hitter by getting two singles. Giving support were Rudy Herrera, with a triple and two singles, Meddie Lomas and Mike Coffey, with a single and a double each, Frank Tondre with a single, and Nati Salazar with a double.

BOBCATS BAG ANTLERS

South San completed the sweep of the North Zone race with 10-1 win over the Kerrville Tivy Antlers and a perfect 6-0 record. Edward Tello pitched a 4-hit game and was given great support by Rudy Herrera, who drove in 3 runs with a triple and a sacrifice fly. Casey Sanchez also gave him much support as he singled, doubled, and batted in 2 runs, while Meddie Lomas and Dennis Magro added a double and 2 singles, respectively. The win was the 19th in a row and the 30th of the season for the 'Cats.

SO. SAN DEFEATS NIXON

The Bobcats ripped the Laredo Nixon Mustangs 8-1 in the first game of a best of three series for the district championship. The Bobcats got 4 hits and 2 walks off Nixon's ace, Jose Gamez in the first inning to score 6 runs. John Guzman was a little cold and allowed 3 singles to score Nixon's only run in the first inning. He settled down and was taken out in the 6th to let Edward Tello finish the game. The Bobcats scored their other 2 runs in the 3rd and 6th innings. The victory gave South San a 32-2 record and the 21st in a row.

BOBCATS GET 10th STRAIGHT DISTRICT WIN

South San won its tenth straight district championship with an easy 11-2 win over the Laredo Nixon Mustangs to complete a two-game sweep of the district best-of-three playoff series. Rudy Herrera was the only player to get two hits, as he singled once and tripled with the bases loaded. The Bobcats scored three runs in the first inning and were never headed.

In the third inning the Bobcats scored twice on singles by Herrera, Meddie Lomas, and Nati Salazar and a walk by Frank Tondre. Another score came on a sacrifice fly by Mike Coffey in the fourth. Ten Bobcats got to bat in the sixth, as six came in for runs. Two singles, three walks, an error, and Herrera's triple ace counted for the runs. The win left South San with a 33-2 season record.

BOBCATS WIN BI-DISTRICT CROWN

Mike Coffey gave struggling Johnny Guzman all the support he needed as he doubled in two runs in the fourth, scored one, and singled in the important two runs in the tenth as he led the Bobcats to a 5-3 win over the Mission Eagles in a best-of-three playoff for the Bi-District title. The win was the 34th of the Bobcats' season, their 23rd in a row, and Johnny's 18th without a loss. Behind 1-0 until the third, the Bobcats scored three runs in the fourth. Nati Salazar and Frank Tondre singled, moved up on a wild pitch,and then scored on Coffey's double. Robert Arthur sacrificed Coffey to third, and Guzman scored him with a perfect squeeze bunt. Mission tied the score in the sixth on two singles, two errors, and a ground out. The Cats were held hitless until the tenth, when Meddie Lomas opened with a 390-foot double, took third on an error by the third baseman on which Salazar was safe. Coffey then came on with his game-winning single.

The Bobcats won their third straight Bi-District crown as they clipped the Mission Eagles' wings with a 14-2 shellacking. The Bobcats, with a 15-hit attack behind Robert Arthur and Nati Salazar, who each homered, sewed it up in the first with four runs. They added eight insurance runs in the next two innings, four in each, to assure Edward Tello of a shaky 5-hit win, his twelfth. Rudy Herrera tripled in the first inning to score Casey Sanchez and tie the score, and then Frank Tondre singled to bring in two more runs after Adam Reyes had walked. In the second, Salazar hit his three-run homer to complete that inning's scoring. Four runs in the third came on three singles, two walks, a double, and an error. Arthur ended the scoring with his two-run homer in the sixth. The win was the 24th in a row and the 35th of the season to two losses.

A Mission player rounds third base only to be tagged at home plate during the South San-Mission battle for the Bi-District chapionship.

CATS PLAY LA VEGA FOR REGIONAL

The Bobcats gave Johnny Guzman an early 5-0 lead as he shut out the LaVega Pirates for four innings on no hits and no walks to win his 19th game of the season. Adam Reyes had two singles and a double to lead the 11-hit attack. Nati Salazar drove in four runs with two singles and a run-scoring grounder. Rudy Herrera drove in two runs with two singles, and Meddie Lomas pushed across two more with a pair of ground outs. Ruben Flores took over in the 5th and allowed only four hits and two runs to make the final score 9-2. The win was the 25th in a row and the 36th of the year. The Bobcats now held a one-game lead in the best-of-three series for the regional crown.

SOUTH SAN TAKES REGIONAL

The Bobcats slammed into the state tourney with a 7-0 victory over the LaVega Pirates to make it two in a row for the regional title. Edward Tello pitched a fine five-hitter, striking out eight as he won his 13th game of the season. Frank Tondre gave Edward great support as he hit the first grand slam homer of his short high school career. Edward got into trouble several times but got out superbly by keeping the Pirates going for his fast breaking curves. Casey Sanchez led off the first with a single to deep short, followed by a walk to Adam Reyes. They advanced to an infield out, and Sanchez scored on a late throw from short on Lomas's hit. Salazar hit to short, who went to third to force Reyes. However, Reyes was safe when the third baseman dropped the ball. Tondre then came on to slam his four-bagger. In the third, Salazar scored on a balk after he had doubled and reached third on a bunt single by Tondre. The last run came in when Robert Arthur was hit by the pitcher with the bases loaded.

Shortstop Frank Tondre slides in to third base a few seconds too late in the Bobcats' second game against LaVega.

CATS WIN CONSOLATION AT STATE

South San was seeking its 11th straight state tournament win and an unprecedented third straight state title when it lost to the Waxahachie Indians 2-0. The shut-out was the Bobcats' first of the year and the defeat ended a 26-game winning string. It was the first loss in 20 decisions this year for Johnny Guzman, South San's ace pitcher, and his first defeat in 29 games since May 1, 1964. It finished his high school career with a 46-4 mark. After allowing four hits and a walk in the first three innings, he retired three batters before the fateful sixth, when the Indians got their two decisive runs. Sophomore Nati Salazar doubled with one away in the fourth for South San's lone hit, but he got no further. The Bobcats missed their best chance in the fifth when Robert Arthur got aboard on an error, Guzman forced Arthur, and Casey Sanchez drew his second walk of the game. Herrera walked to load the bases, but Meddie Lomas flew out to center for the third out.

The Bobcats scored more runs than they needed but a day late, as they took the Snyder Tigers by a score of 6-2 to take third place in the 17th annual UIL state baseball tourney. It was the 38th win of the season for the Bobcats against 3 defeats, but it was of little significance as they had lost out on their bid for an unprecedented third straight state title on the day before. It was also their 11th tournament win in 12 starts. Edward Tello scattered 7 hits as he recoreded his 14th win against 1 loss. Casey Sanchez led the way with a single and a double as he went 2 for 2 at the plate. The Bobcats scored four runs in the first inning on singles by Rudy Herrera and Nati Salazar, each driving in a run, an outfield throwing error, and two walks. In the second inning Sanchez doubled with one on to make it 5-0. An error on the next play made it 6-0. The Tigers' runs came in the fifth on a triple, a single, and a passed ball. Tello retired the first eight players he faced but had trouble in the fourth, fifth, and sixth innings. However, he managed to get out of it pretty well. In the fourth, the Bobcats almost scored again when Sanchez tried to score all the way from first on Adam Reyes' single to right. He was tagged out at home.

Nati Salazar scrambles toward first as he hits a double, the only Bobcat hit in a 2-0 loss to Waxahachie.

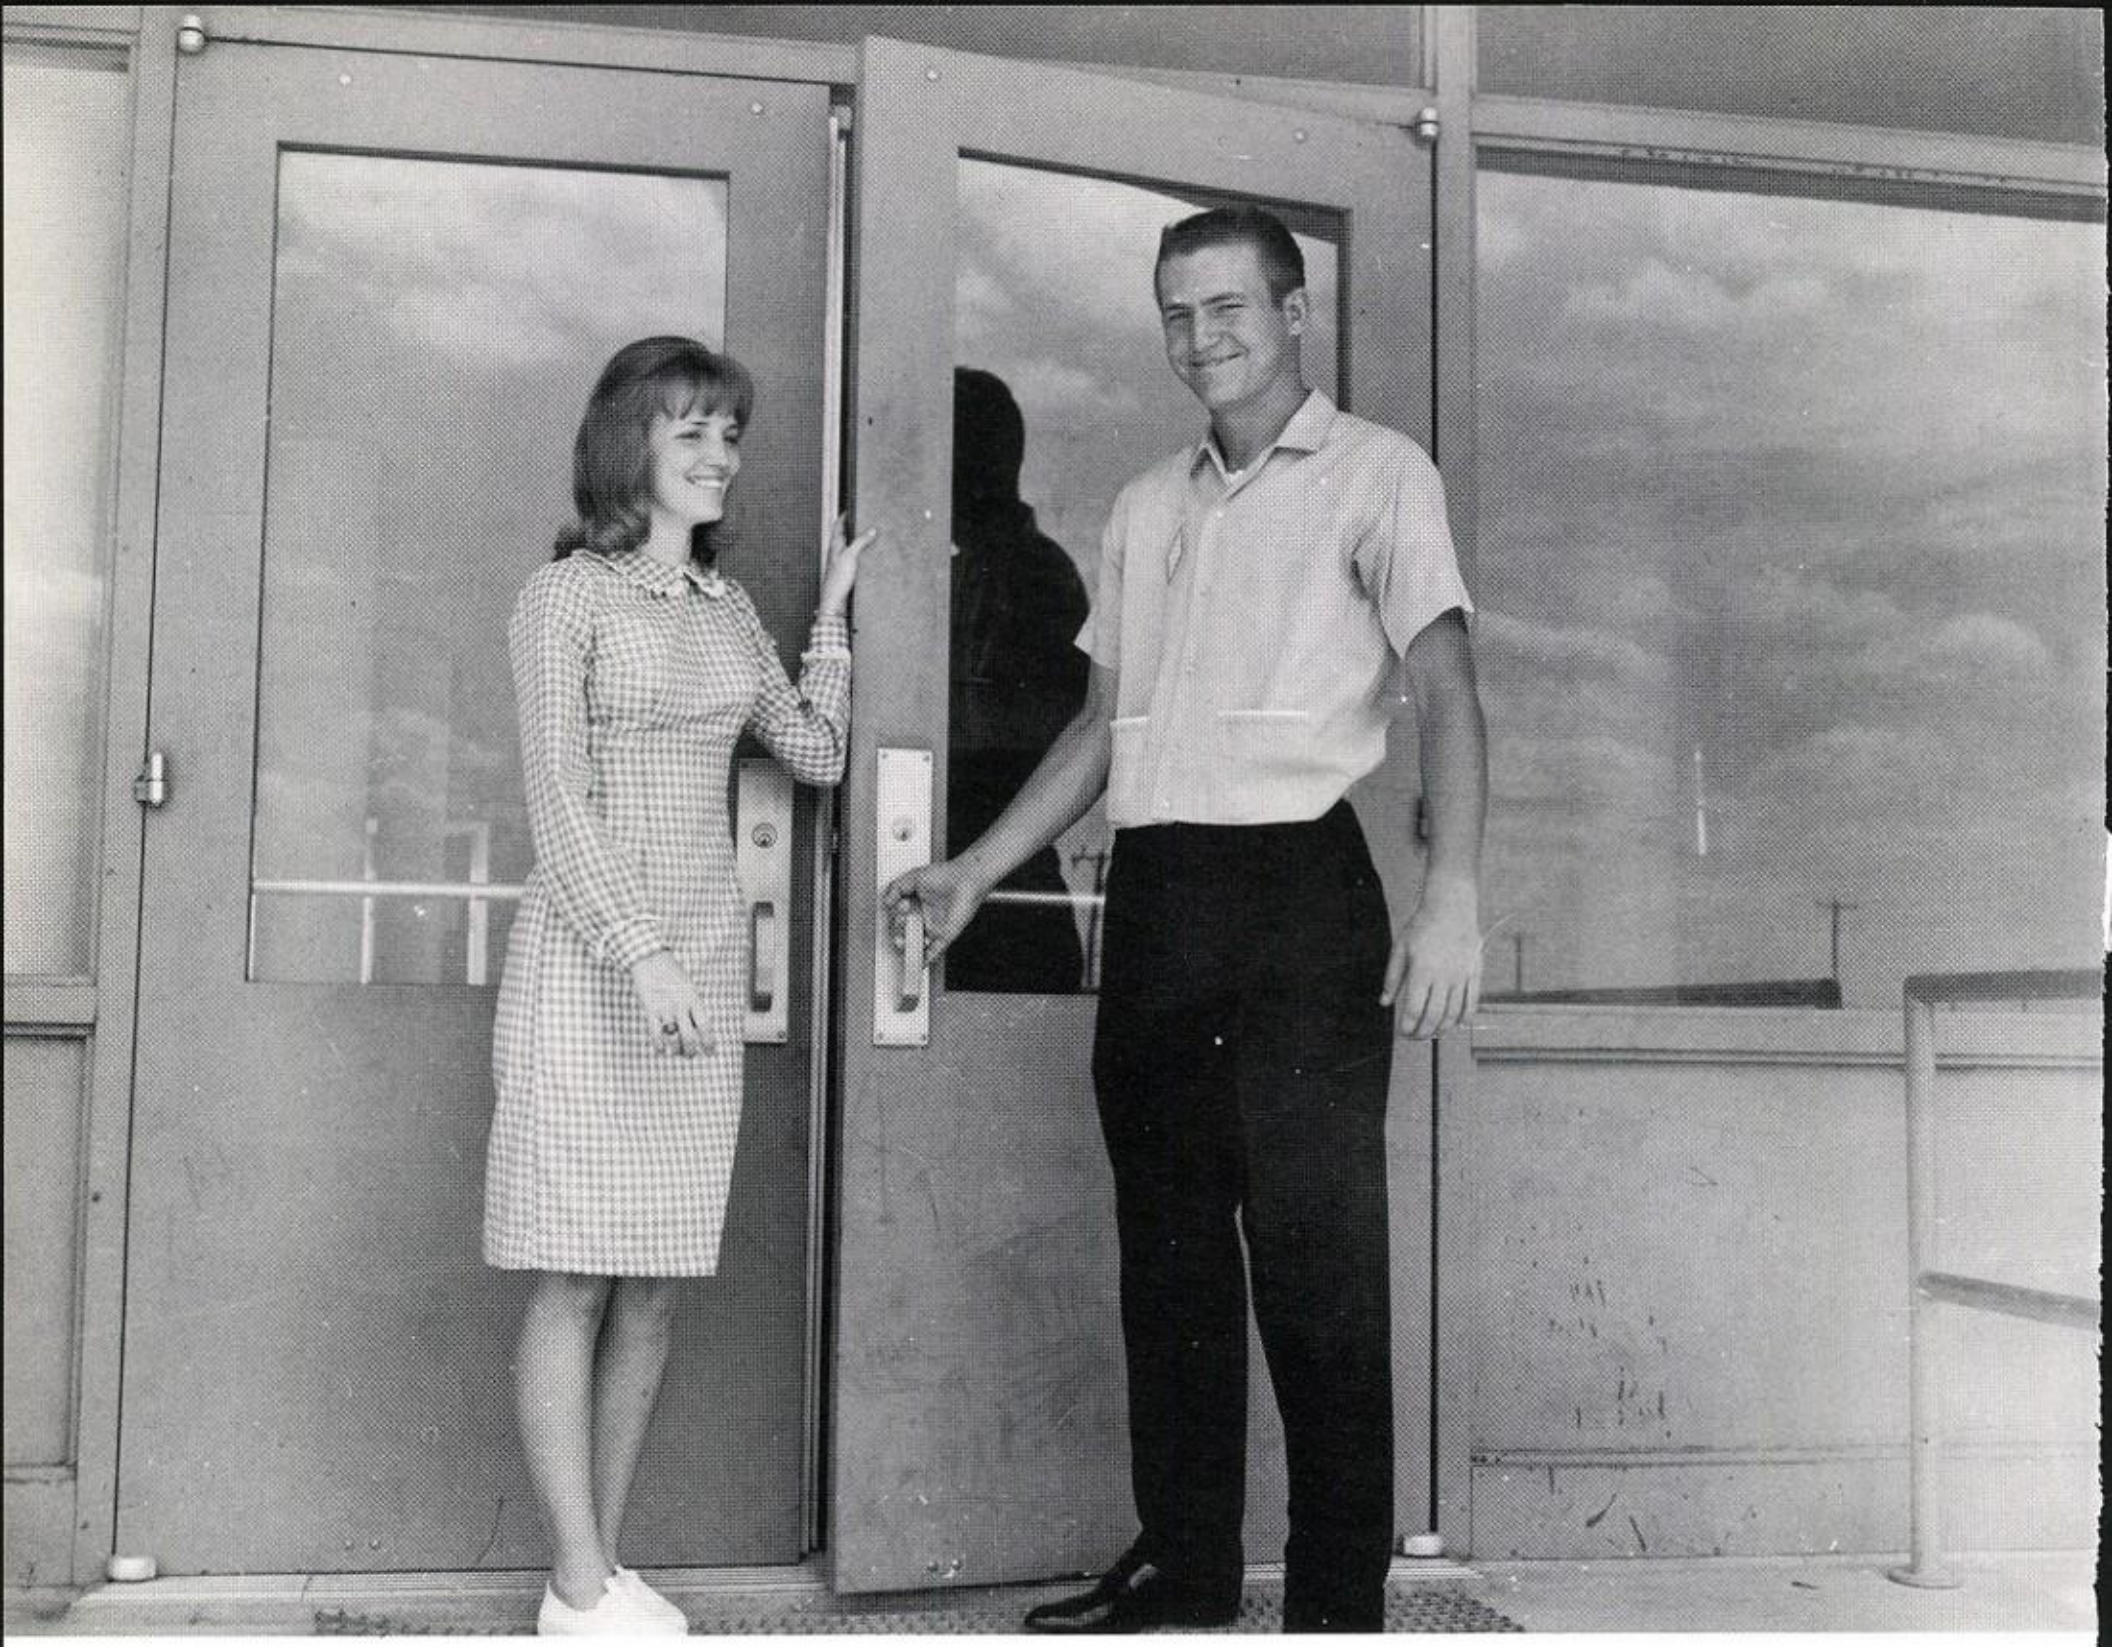
OPTI-MRS.

"Mary had a little lamb . . ."
Uh? "Mary had a little Lamb . . ." I Forgot.



These two Seniors, Harriet English and Mike Coffey, are closing the doors to the school for the last time, as we all must do sometime.

Some of us will surely be glad to face our coming challenges. Others wouldn't mind another year at South San--the many activities and just the fun of being with the gang. There will be so many memories to look back on and think of, such as walking down the halls or cheering at a pep rally. Oh, what memories!

Working on the CAT TALE has been a new and great experience for me. We had many problems and hardships, but, as a whole, it has been a real "ball"! The staff has worked hard to prepare what we think is the greatest CAT TALE ever! I thank them, Mr. Mangum, our principal, who helped us so much, and Mr. Uecker, Henington Publishing Company's representative, who came to our rescue just when we needed it.

The CAT TALE has been an extremely important part of each staff member's life this year. We hope we have created a book that you will enjoy and treasure throughout your life.

Very Sincerely,

Pam Littleton
